Dear **Dr. Alip**:

Greetings from East West Seed Foundation!

The **East West Seed Foundation's** flagship program dubbed as **Oh My Gulay-Tanim Sa Kinabukasan Program (OMG-TSK)** is a school-based gardening program which aims to inculcate into the young minds of grade school pupils the importance of eating and growing vegetables by engaging them into vegetable growing. In partnership with the DepEd, the program, which has already assisted some 367 public schools nationwide, allows the students and parents to learn the techniques of growing vegetables through lecture and hands-on activities. By doing this, we believe that we will encourage not only the students but also the whole community to enjoy proper nutrition through improved vegetable intake.

Having the same advocacy, Oh My Gulay! Program joined with TSK Program to promote healthy lifestyle among Filipino school children. For school year 2017-2018, OMG!-TSK Program partnered with Holcim Philippines Inc. adopting six (6) public elementary schools in Norzagaray, Bulacan that passed the technical evaluation held last June 14, 2017. The schools that passed the assessment are as follows:

- | | |
|-------------------------------------|-----------------------------------|
| 1. FVR 2 Elementary School | 4. Pinagtulayan Elementary School |
| 2. Norzagaray Elementary School | 5. Padling Elementary School |
| 3. Sapang Kawayan Elementary School | 6. Kanyakan Elementary School |

In this regard, may we request for the issuance of a letter of invitation addressed to the school Principal inviting them to participate in the upcoming Train the Trainers Course – a capacity building component of the program. Four (4) participants – School Head, EPP Teacher, Utility/Parent and Representative from Barangay - are reserved per school. In agreement with partners, the course is scheduled on August 23-25, 2017 from 9:00AM-5:00PM @ Sapang Kawayan Elementary School.

Thank you very much. We are looking forward to a fruitful partnership between EWSFI and DepEd – Bulacan.

Very truly yours,

Mary Joyce V. Gaviola
Program Head – OMG-TSK
