DEPED BULACAN BRIGADA FOR MARAWI SIEGE VICTIMS

The Department of Education is always one with the Philippine Government on its mission of providing access to education for all school children in the country especially those in remote areas and those children affected by the ongoing Marawi Siege in Marawi City, Lanao del Sur.

Thousands of children were displaced and millions of properties were destroyed including schools and education centers.

We are indeed fortunate that Bulakenyos are spared from such man-made disasters like terrorism and armed struggles.

With this unfortunate event, our schools in Marawi needed rehabilitation because there is no way that anything could stop our mandate to provide access to quality education for all. We need Brigada Eskwela in December through our financial support and assistance to reach out to Marawi schools and children.

Your donations in any amount can be a very significant reinforcement to rebuild and restore Marawis' schools to make every Marawi child's dream come true.

Acceptance of donations will start today until December 15, 2017 from 8:00 AM to 5:00 PM at Supply Office (Raquel Climaco).

Your generosity and cooperation is highly appreciated and earnestly desired.
