COLLEGE OF SCIENCE

The journey to excellence starts here.

CELESTINO C. CARPIO, JR.
Education Supervisor 1
Alternative Learning System
Department Of Education Bulacan Division Office
City Of Malolos, Bulacan

Dear Sir Carpio,

We are students from Bulacan State University taking up Bachelor of Science in Mathematics with Specialization in Applied Statistics. We are currently working on our thesis paper entitled, "A Study of Alternative Learning System (ALS) Program Implementation Relating to Its Improving Number of Population".

Considering our thesis topic, we need a further justification for the data that we have, and that is through hearing the insights of some instructional managers of ALS in different districts of Bulacan. We are asking your permission to let us conduct interviews of some ALS teachers at their most available time.

The questions that we will ask are about mapping of learners, teaching, and their observation about dealing with their student's achievement. The interview will probably take a maximum of 30 minutes of their time.

Sincerely,

MARY JOY J. ELIBADA

RONA MY DG. PEREZ

SHERIE MAE F. RAMOS
