Sir:

Greetings!

The Alliance of Concerned Teachers Region III (ACT-CL) will be conducting a series of Public Sector Unionism (PSU) and consultations and or assemblies in the schools, district and division levels in our region. This activity is a part of our collective efforts to proliferate our advocacy and to reach more teachers. Our teacher-leaders in the region were tasked to facilitate and implement the program. Attached herewith are the schedules of these consultations and or assemblies as agreed upon by the Regional Council members.

We would want to invite the organization officers per district and representatives from each high school preferably their officer. May we further request that division schools superintendents provide us the venue for the said consultations/assemblies in their respective divisions?

In connection with this, may we humbly ask your good office to issue a Memorandum or Advisory allowing teacher leaders from each province and the Regional Officers of ACT III on official time if possible.

Resource personnel of these consultations are the Officers of ACT Region III and ACT National Officers with the assistance of our two ACT Teachers Partylist Representatives. We are looking forward for your positive response on this matter.

Thank You and God Bless!

In the service of our education sector,

ROMLY CLEMENTE
President
ACT Region III
