Dear Dr. Garma:

Greetings!

TÜV Rheinland, a subsidiary of the TÜV Rheinland Group based in Germany, established the pioneering international certification body in the Philippines in 1991. TÜV Rheinland Philippines Inc. started with system certification and training, providing third-party audits and certification based on various international standards and conducting public trainings and seminars on related standards. Shortly after, we also ventured on electrical product safety testing, inspection of industrial safety, and even occupational health and safety.

Since 2013, our company has also been spearheading **Academe-led trainings and seminars** focusing on **K-12 Basic Education Program Implementation, Senior High School Content and Pedagogy, Quality Management System/ISO 9001:2015 for Schools, GASTPE/ESC Awareness, Action Research, Career Guidance Assessment, etc.** for teachers, instructors, heads and curriculum managers from **NCR, CALABARZON, Central Visayas and Davao Region of Department of Education (DepEd) and Commission on Higher Education (CHED)**

True to our thrust of providing quality and safety in all aspects of life, we highly support and actively promote the importance of data privacy in an organization aligning to the **Philippine Data Privacy Act of 2012 (RA 10173)**. In fact, we have various capabilities tailored to address the needs and expectations of companies to ensure that they are compliant with the Philippine law at the same time competitive in the international market.

In this regard, TÜV Rheinland Philippines is offering a **One-day Data Privacy Act Awareness Program with Introduction to Privacy Impact Assessment** on **June 13, 2018** from **8:30am-5:00pm** at **Fontana Leisure and Resort Hotel, Clark Pampanga**.

# Data Privacy Act of 2012 Awareness

with introduction to Privacy Impact Assessment

## OVERVIEW

In 2012, the Data Privacy Act (DPA) of 2012 was passed in the Philippines. This law aims to protect the fundamental human right of privacy of communication while ensuring free flow of information to promote innovation and growth. Last September 2016, the final implementing rules and regulations came into force, mandating all companies to comply.

This whole-day event is intended to provide interested participants a better understanding of the DPA and help both individuals and organizations comply with its requirements.
