Part of the quality management system being implemented in the division is to manifest strict compliance with existing laws and statutes, and conformance to prevailing guidelines stipulated in agency issuances distributed to the field, in which a number of request letters indicative of violations are reaching this office, specifically in the conduct of fund raising activities and implementation of similarly-motivated school projects.

In this connection, strict compliance with DEpED Order No. 19, s. 2008 On Implementation of No Collection Policy in All Public Elementary and Secondary Schools, Regional Memorandum No. 136, s. 2016 on Discouraging Fund-Raising Activities in Public Schools, and Sec. 3 of Republic Act No. 5546, An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose is reiterated.

Vigilance of all concerned in the school / organization is desired to avoid legal complications arising out of non-compliance initiated by one, or a number of persons, in the group.

For information and wide dissemination.

Very truly yours,
