Dear Sir;

Warm Christian greetings!

We, the PHILIPPINE VALUES EDUCATION PROGRAM INC., a registered Interdenominational Organization envisions to reach all school children and college students with Christian Values. These values will influence and impact their lives to become responsible citizens. It is our deep desire to see the youth of our land be free of the things that can destroy their future.

PVEP has been in service since 2007 to present in the most Northern part of Luzon. For us to help in the academic, moral, emotional and spiritual development of our students, with great pleasure we are in the process of working out a better way to be of help to our DepEd teachers. Attached is a letter from Director Samuel R. Soliven.

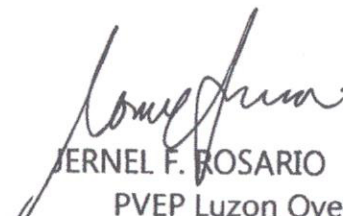

With the new school year that is about to start, we at PVEP humbly entreat your benevolence to grant us a permit for values education in the Public Schools in your jurisdiction.

With all good intents and aspirations for our young, and armed with Christian principles cherished by the Filipino nation, PVEP will surely be more able to contribute to youth development with your permission to allow us teach Christian Values to both Elementary and High school students in our province.

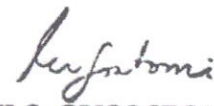

Thank you and God bless.
