TO: District DRRM Coordinators(Elementary)
School DRRM Coordinators(Secondary)
(Through Channels)

RADAR report is the primary tool in assessing damages in schools during onslaught of calamity and it is being submitted through text message directly to the central office, copy furnished the division office.

To facilitate generation and prompt submission of the consolidated RADAR report of the Division, all schools are instructed to access the weblink below and accomplish the template that will be displayed therein every time calamities strike:

This is in addition to the usual modality of submission via text messages which is merely for purposes of getting quick accounts of the situations.

For information, guidance and compliance.

Very truly yours,

ZENIA G. MOSTOLES, Ed.D., CESO V
Schools Division Superintendent
