The original launching dates should on July 15-19, yet due to some changes with the partners that includes the volunteers per school, that really needs an enough time to troubleshoot and discuss matters arising, we decided to have these relaunching dates to prepare more and give the best service we can give.

We are very sorry and we really appreciate your passion and heart for today's youth. Rest assured that we will maximize this given time to make our launching best.

Again, thank you so much for believing the vision of Rescue Kabataan. We are blessed to have your office as one of our partners for the Filipino youth.

Respectfully yours,
