Madam:

A pleasant day ahead of you!

The Bible Readers Society International (BREAD Society International) is a non-sectarian, non-stock, and non-profit socio-civic youth organization established in Manila in 1998 to encourage high school and university students in reading the Bible and understanding the Bible as a guide to Christian living.

In addition, BREAD Society International has been in partnership with television network UNTV in some public service activities since 2004.

In view of this, we humbly ask for an endorsement from your good office so that BREAD Society International will be able to launch activities in different public secondary schools within the Province of Bulacan. We will be very glad to coordinate with them and comply with their existing policies with regards to this.

We hope that this will merit your most favorable consideration.

Thank you very much for your unceasing support.

Truly yours,

BREAD ACTIVITIES

- **BREADUCATION**

A regular gathering that aims to discuss different Bible-based topics. It intends to equip the attendees wisdom and knowledge about the words written in what is considered as the best-selling book of all time.

- **SYMPOSIUM**

Considered as one of the biggest events of the organization, a symposium presents both the academic and biblical sides of various relevant and timely topics. It often includes a question-and-answer segment to entertain and address inquiries from the audience.

- **BREAD SOCIETY FUNDAMENTALS**

BREAD Society Fundamentals (BSF) is a seven-session program an aspirant must complete before becoming a bona fide member. It is composed of Bible study sessions and other activities that eye to impart the core values and principles of the organization.

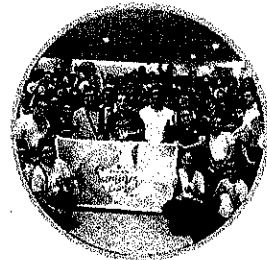

- **LIBREAD**

As BREAD members are taught to become ambassadors of goodwill, different public service-oriented projects are sustained by the group. These charitable endeavors range from offering free haircut, and printing and xerox services, donating Bibles, Bible racks, wall clocks and trash bins to doling out gifts to the less fortunate.

- **TEAM BUILDING ACTIVITIES**

At BREAD, unity is also held in high esteem. Hence, a number of team building activities such as the BREAD Summer Camp are regularly conducted in order to promote and sustain camaraderie among the members of the organization.

- **NATIONAL BIBLE MONTH**

As a leading organization that promotes Bible readership, BREAD takes part in commemorating the National Bible Month held every January. Activities that highlight this undertaking include Bible-giving in different libraries across the country.
