**GAIN 2020 National Convention  
Dusit Thani Manila. February 6-7, 2020**

The Government Academe Industry Network (GAIN) is organizing its 3rd Convention on February 6-7, 2020, with the theme: "The Future Workforce and Graduates for the Smart City Revolution: Towards Global Competitiveness and Human Capital Development". The conference will discuss in detail how the Government, Academe and Industry can work in understanding the changing demands in the future workforce.

Plenary Sessions and Panel Discussions

Round Table Discussions and Workshops

# CONFERENCE TOPICS

## Welcome Remarks and Updates on the GAIN 2020 Convention

**Speaker:** Dr. Peter P. Laurel - Chairman of GAIN, President of LPU Batangas and LPU Laguna

## Keynote Address - Educational Roadmap Towards Global Competitiveness and Human Capital Development

**Speaker:** Cong. Mark O. Go, House of Representatives

### SESSION 1

### SESSION 2

#### Session 1: The Future of Work: Working in SMART Cities

We are living through a fundamental transformation in the way we work. Automation and 'thinking machines' are replacing human tasks, changing the skills that organizations are looking for in their people. But what will the future look like? As cities look to transform the way they operate by

#### Session 2: Today and Future Directions for the workforce

What defines a SMART City? Key themes include Mobility, Government and Finance, Urban Environment, Digital Transformation and Inclusive cities. Find out how these themes affect the workforce, including a shift in how we will operate with the gig economy, collaborative

technologically transforming themselves— how will that impact the current and future workforce?

**Speaker:** Mr. Ralph Regalado,  
Founder and CEO – Senti AI,  
Google Development Expert

consumption, peer-to-peer work,  
business model innovation and  
new regulations.

**Speaker:** \*Mr. Vivencio B.  
Dizon, President and CEO, Bases  
Conversion and Development  
Authority (BCDA)

### SESSION 3

#### **Session 3: Panel Discussion: Preparing graduates for the Jobs for the SMART City Revolution Through National Collaboration**

National Organizations have created talent roadmaps to ensure that the graduates and existing workforce are adequately prepared for the future including the IT-BPM Roadmap, CHED Global Competitiveness Roadmap and National Education Roadmap Bill proposal.

#### **Moderator:**

Mr. Gerardo Plana  
President  
Philippine Management  
Association of the Philippines  
(PMAP)

#### **Panel:**

Sec. Silvestre Bello III  
- Chairperson, Department of  
Labor and Employment (DOLE)  
\*Mr. Lito Tayag  
Chairman of the Board  
IT & Business Process Association  
of the Philippines (IBPAP)  
\*Dr. Prospero De Vera III

### SESSION 4

#### **Session 4: Panel Discussion - What makes a SMART School?**

Smart schools use advanced technology and equipment, data analytics, automated systems and rich multimedia experiences to enhance the learning experience. The school teaching experience must move past the brick and mortar setup to ensure students receive an education that prepares them with the skills needed for the 21st century.

**Speakers:** \*Mr. Alfredo Ayala,  
CEO, AC Education

Chairperson  
Commission on Higher Education  
(CHED)  
\*Dr. Fortunato Dela Pena  
Secretary  
Department of Science and  
Technology (DOST)

## SESSION 5

**Session 5: Living Labs - New Wave of City-University Partnerships**

In multiple countries, Cities and Universities have begun collaborating to solve actual real world problems through innovation and science. Data and technology are poised to transform cities. We believe that partnerships between local governments and universities are critical to effectuate that transformation. We believe that national and international collaboration will streamline civic innovation.

**Speakers:** Dr. Christopher P. Monterola, Head, School of Innovation, Technology, and Entrepreneurship, Asian Institute of Management

## SESSION 7

**Session 7: Panel Discussion: SMART Cities - Improving Local Situations through Effective Government-Academe-Industry**

## SESSION 6

**Session 6: Transforming Manila into a Smart City**

Listen to the plans to transform one of our oldest cities Manila to an up-and-coming smart and digitized City through the leadership of Mayor Isko Moreno.

**Speakers:** \*Hon. Francisco M. Domagoso, Mayor, City of Manila

## SESSION 8

**Success Case Study 1: digitaljobsPH - Capacitating Filipinos in the Countryside**  
\*Ms. Maria Teresa M. Camba,

**Collaboration**

How can local problems be transformed into multi-sector collaborations that foster growth, problem solving, innovation needed for the jobs in 2030 while simultaneously improving the local surroundings?

Regional Director, Department of Information and Communications Technology (DICT) Mindanao Cluster 1

**Success Case Study 2:** 10,000 Teachers English Online From Home
