Dear Superintendent Pascual:

Insight Capability Technology Marketing Services (ICTMS) is a marketing and training company that aims to promote information technology consciousness among the youth and develop their skills to basic and advanced computer subjects.

This training was designed to eradicate mediocrity and illiteracy in the innovative world of high-tech era that the students may encounter many challenges in information technology. We offer basic and advanced computer training lessons that will greatly contribute to the student as learning competency and boost their literacy in computer that will contribute to further achievement of academic excellence. We also reflected our objectives for your reference:

Objectives of Basic and Advanced Computer Training Course Program of ICTMS:

1. To train elementary, secondary students with the basic and advanced computer course.
2. To upgrade students knowledge in Information technology.
3. ICTMS shall likewise emphasize both skills and logical thinking in computer programming and designing.
4. To fully develop student in conceptualization in web programming and graphics designing.
5. Personal development and exposure of students in all their training endeavor.

In addition to this, currently ICTMS is a partner training center of Saint Martin De Porres Catholic School of Norzagaray, Inc, a tie-up agreement with the Department of Computer Technology that we will use their computer laboratory to conduct the training every Saturday. The training started last August 2019 and continuously facilitated by our agency with the following core subject for the students:

- i. Microsoft Office Suite Application
- ii. Photoshop
- iii. Multimedia Application (Moviemaker and Proshow Producer)
- iv. Web Development (HTML and CSS)
- v. (WIX Website, Wordpress)
- vi. Technical Drafting with Autocad (Optional)

With this beneficial learning opportunity, we humbly request for your extensive support in this endeavor by giving us permission to conduct a qualifying exam or entrance exam to any schools under the division of Bulacan that we want to set as pilot area to assess a qualified

participants for the computer training. Currently we want to request for your permission to conduct qualifying exam in Norzagaray and Angat areas and all possible schools that we think feasible to our marketing objectives.

We will assure that the schools and the authorities will not be responsible for any incident during this training course and assurance to parent's permission to their children as training participants because this training course will be conducted upon the discretion of the parents. ICTMS have also in particular to the security and welfare of the students during each training day.

Attached are the company profile and Registration of ICTMS

We hope for your most favorable response.

Respectfully yours,

MR. BRAND SIMBILING
