

Final: 1. All national activities that involve learners and teachers are suspended in February. 2. All Regional, Division and district activities that involve learners and teachers (jamborees, athletic meets, contests, field trips etc) need clearance from the local DOH(health authorities) before these are conducted in February. 3. All official travels to China and other affected countries are suspended. Those with travel authorities approved earlier but February travels are revoked. Personal February travels in the mentioned countries are highly discouraged. 4. Avoid crowding of learners. Flag raising ceremonies must be done in the respective classrooms. 4. DepEd is monitoring the NCOV problem weekly and update the field if the suspensions will be lifted or extended. From DepEd MANCOM

act of national, regional, division and school activities

interest of public health, to minimize exposure to risks associated with the 2019-nCoV ARD, and to support government efforts to contain the spread of the virus, the following shall be observed for DepEd divisions for the month of February 2020. Thereafter, DepEd will seek advice of DOH for recommendations regarding this precautionary measure:

National activities involving learners and teachers requiring travel and congregation of various schools, divisions, and/or regions are suspended.

Regional, division, and district activities that involve the gathering/congregation of various schools, districts, and/or divisions are highly discouraged. Organizers are advised to seek the recommendations of local health authorities should the activities persist through
