Dep-Ed BULACAN DIVISION

Dear Sir/Madam,

The **Philippine Elementary Schools Principals Association (PESPA)**, a group working alongside with the Department of Education (DepEd) in the promotion of education, has taken note of safety and protection issues the teachers are exposed and had to deal with in and out of schools.

Given the situation PESPA recognized the need for the schools to provide all principals/teachers/staffs insurance protection plan at least during one whole school calendar year.

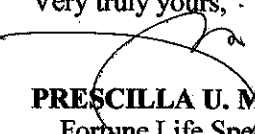

In this connection, we wish to inform you of PESPA's partnership with Fortune Life Insurance Company, who happen to be one of DepEd allies in education sector, as we come up with what we called P50,000 Accidental Card Insurance Plan (ACIP).

The ACIP protection package plan offers a comprehensive insurance coverage providing security for the DepEd Officials/ teachers/staff anywhere for one whole year, 24 hours a day, for 365 days, whether in or out-of-school premises. Please refer to the attached proposal/brochures for details.

We look forward for your favourable response and hope that you would avail and take advantage of this insurance package plan.

Thank you very much.

Very truly yours, -

PRESCILLA U. MATUTINO

RE: **OFFER FOR COVERAGE FOR ELEMENTARY AND HIGH SCHOOL STUDENTS FOR GROUP STUDENT PERSONAL ACCIDENT INSURANCE**

Greetings:

The undersigned, Engr. PRESCY U. MATUTINO, is the Project Consultant of FORTUNE LIFE Insurance Company for Group Student Personal Accident Insurance Plan, particularly for Elementary, High School and College Students.

It is a fact that students at young ages are often unguarded and unescorted by parents and are exposed to the dangers and perils during their daily travel to and from the school.

Within the school premises, young students are similarly exposed to dangers, not only to co-students but likewise to strangers who might enter the school premises unnoticed.

Parts of the school requirements to complete student exposures to learning are guided educational tours, to which students are exposed to risks despite exercise of extra-ordinary diligence.

At home, even on Saturdays and Sundays, students may undertake various physical activities to which the youngsters encounter injuries or perils to life and limbs.

Parents are not well enlightened of the existence of student group insurance such as this offer.

For details of the coverage, attached hereto is a copy of the Plan Coverage, as initial eye view of the benefits of the coverage, as well as the minimal premium required at only P50.00/annually.

It is hoped that thru this letter, our offer will be appreciated, and given attention and favourable consideration.

Respectfully yours,,

PRESCILA U. MATUTINO
