Dr. Germelina H. Pascual
Schools Division Superintendent
Department of Education
Division of Bulacan
Malolos, Bulacan

DepEd-SDO of Bulacan Office of the SDS

Dear Dr. Pascual:

Greetings!

PROLAB Diagnostics Co., a DOH-accredited facility with many years of experience and a good track record in serving the Department of Education, would like to express its intention to be your healthcare partner in providing the medical and laboratory requirements of the teachers in your division.

Because we believe that teachers deserve extensive laboratory and medical examinations that will determine their state of health, PROLAB pioneered in offering comprehensive examinations at a very affordable price more than a decade ago.

Thus, we are pleased to submit our proposal for the medical examination of teaching and non-teaching personnel and staff of your Division for 2020.

PROLAB has been serving several Divisions in Region III including Nueva Ecija, Pampanga, Zambales, Bulacan, San Jose, Munoz and Cabanatuan, among many others. We have also served the Regional Offices of Region 3, Region 4A and Region V.

The **COMPREHENSIVE** package examination for teachers include:

- Fasting Blood Sugar
- Chest X-ray (11" x 14")
- CBC (Hemoglobin, Hematocrit)
- Urinalysis
- Blood Uric Acid
- Lipid Profile (Total cholesterol, Triglycerides)
- BUN Kidney Test
- SGPT
- ECG for 40 years old and above

SPECIAL PACKAGE PRICE = P 480.00

Other optional tests are available upon request.

PROLAB Diagnostics is manned with competent medical personnel and equipped with modern facilities and 3 mobile clinics.

We can bring the services at the doorstep of your teachers. This way, results will be standardized which assures you of better health management and more efficient records retrieval.

Should you have any further query, we shall be very glad to discuss it with you.

We are looking forward for a continued partnership with you.

Thank you very much.

Very truly yours,

RONALDO E. PUNO, RMT, MBA-H
General Manager
