Dear Ms. Pascual,

We respectfully request that the enclosed posters be placed on your bulletin board. In this regard, we are pleased to invite your personnel who are Law graduates to enroll in **Jurists Bar Review Center**. We conduct a coaching-style bar review program wherein we give mock bar examinations and evaluate the strengths and weaknesses of the bar reviewee. Jurists pioneered the integrated bar review and coaching in 2005. While others have sought to mimic the Jurists program, we remain at the forefront of bar exam coaching and review in the Philippines.

Your personnel may choose from any of the following review programs that we offer:

- 1) Classic (traditional, classroom-based)
- 2) Online
- 3) Combo (combination of classic and online)

Enclosed are posters and flyers containing additional details about the Jurists Bar Review Center.

Thank you for your attention in this regard.

Yours truly,

PROF. MANUEL R. RIGUERA

Review Director
