

Republic of the Philippines
Department of Education
REGION III
SCHOOLS DIVISION OF BULACAN

September 3, 2020

To: Division Chiefs
Public Secondary School Heads
All Others Concerned

In lieu of the downloading of Alternative Delivery Modality Self-Learning Modules (ADM-SLMs) for the Science Technology and Engineering (STE) Program from the Central Office, our Schools Division will utilize the localized ADM-SLMs for the first quarter in all specialized science subjects across grade levels.

In this regard, the school heads of the 19 STE implementers shall be responsible for the reproduction and distribution of these learning resources in preparation for the implementation of distance learning as the learning delivery modality in the 'new normal' in education.

The digital copies of the SLMs were already sent to the respective e-mail addresses of the head teachers to ensure the confidentiality of these learning resources.

Immediate implementation of this initiative is earnestly desired.

NICOLAS T. CAPULONG, PhD CESQ V
Director III, OIC-Office of the Regional Director and concurrent
Officer in Charge – Schools Division Superintendent
