To: Division Chiefs  
Public Schools District Supervisors  
School Heads of SSES Implementing Schools  
All Others Concerned

The current pandemic situation has brought unprecedented changes in our educational system. Of the curricular programs implemented in our Schools Division, the Special Science Elementary Schools (SSES) is one of those that needs to be addressed for the information and guidance of all concerned. Henceforth, the following will serve as guidelines in the implementation of the SSES for this school year:

1. SSES Grades 1-6 levels will adapt the regular curriculum (i.e. regular ADM self-learning modules with activity sheets);
2. The qualifying test for incoming SSES Grade 1 is put on hold until further notice;
3. The teachers shall provide enhancement activities for our SSES learners depending on the learning delivery modalities that will be implemented by the school;
4. Transferees from private schools who wished to be accommodated in the SSES program are for Grades 3-6 only subject to the usual screening and qualifying procedure.

Wide dissemination of this letter is earnestly desired.
