30 SEPTEMBER 2020

Dear Sir/Madame,

Thank you very much for the overwhelming support you have given on our first School at Home webinar held last Sept. 16-17.

As we continue our "School at Home" Campaign and in line with the National Teacher's Month Celebration, we will be hosting another webinar for teachers and parents this month of October.

Called "School at Home Webinars", our aim for this series is to help teachers be ready for distance learning in time for the opening of classes on October 5. Our second "School at Home" webinar will be on "Designing Made Easy: Exploring Canva for Education" happening on October 2 at 2PM via Facebook Live of Knowledge Channel Foundation. It will be presented by our partner in education – Canva Philippines.

This webinar is FREE and those who are able to attend will receive an e-certificate of participation from Canva Philippines.

No Pre-Registration needed!

Attendance will be taken on the day of the webinar.

We earnestly hope that your kind office will be able to disseminate this to the public school principals and teachers in your region. Maraming salamat po and Happy National Teachers' Month!

Che Bantayan, Creative Lead, Illustrator

Che is a Creative Lead at Canva who tells inspiring stories through brand illustration. Her creative journey started out in Graphic Design, but her love for illustration and sequential art has driven her to push towards creating a brand illustration system that spreads across digital, motion, and print media. For Che, the quality of an illustration doesn't rely on technique and style, but on the authenticity and vulnerability that a storyteller is able to share
