Dear Madam,

The Gideons International is an association of Christian businessmen and professionals worldwide whose main objective is to bring God's Word to people in all walks of life by distributing copies of the Bible or portions thereof in homes, hospitals, schools, prison camps, and to men and women in the military for free.

Our team in Pampanga is part of this organization and we are actively engaged in this program currently.

This month we will be doing a Placement of Scripture portions to said target areas in view of President Rodrigo Duterte's decree making January as National Bible month. We may undertake the activity even in December or after January seeing the need for the Word of God as support for the spiritual uplifting of our fellow Filipinos, young or old, especially in these trying times.

In this regard, we would like to seek permission from your kind office to allow us to make a placement of Scriptures in public school campuses. We have come up with a safe way to bring this project to schools to avoid risky engagements.

Further we also would like to request an audience with your kind person for some chat or discussion regarding our project in your convenient time.

Thank you in advance for your kind and positive response.

Please feel free to contact us in the number below for queries.

Our warmest appreciation for this great favor.

Yours in Christ's service,
