Along with the research conference is the Global Leaders and Educators Award which is an annual undertaking of Beyond Books Publication (BBP) that recognizes educators and leaders in all academic institutions who have displayed exemplary work performances and made significant contributions to the profession and community at large. The search is grounded on the meritorious achievements of deserving educator and leader which brings inspiration and make an exceptional impact to the lives of the learners which warrant recognition and celebration throughout the world.

The activity supports the continuing professional development of teachers as stated in DepEd Order No. 42, series of 2017 or the Philippine Professional Standard for Teachers (PPST) which recognizes and supports teacher vital role in raising student achievement by enhancing quality education for sustainable nation building. The standards described the expectations of teachers' increasing levels of knowledge, practice and professional engagement. Likewise, the provisions of DepEd Order No. 39, series of 2016 otherwise known as Adoption of the Basic Education Research Agenda which shall guide in the conduct of basic education research to ensure alignment with DepEd's vision, mission, and goals, maximize existing resources, and set up platforms for the sharing and uses of results.

The conference aims to: (1) give opportunity for educators to disseminate their research findings to a wider audience; (2) provide an avenue for interaction between and among academicians, researchers and professionals; (3) build networks and linkages with other researchers in other primary, secondary, colleges and universities; (4) gain valuable knowledge and skills from research experts and gurus; and (5) collaborate among international teaching professionals and researchers.

In lieu of the foregoing, the undersigned would like to seek an ADVISORY from your office to enjoin DepEd teachers to participate in the above activity.
