NORMAL

**DATE :** January 18, 2021

The Department of Education through the Bureau of Learning Delivery-Student Inclusion Division is conducting a survey for teachers with disabilities in the new normal.

This survey aims to learn more about the experiences of teachers with disabilities particularly on the challenges they have encountered, technologies they have been using, and the impact of the training programs they have attended to their performance as educators during this pandemic and beyond.

Rest assured that all information to be shared in this survey will be strictly treated with utmost confidentiality by the Bureau. The results of this survey will mainly be used by SID to gain more insights about the experience of teachers with disabilities as vital inputs in designing more inclusive programs that will further enhance the competencies of these teachers.

In this regard, teachers with disabilities are requested to accomplish the survey questionnaire through the link: <https://tinyurl.com/SIDSurveyForPWDTeachers>.
