**Office of the Schools Division Superintendent**  
 Department of Education

Dear Sir/ Madam:

Greetings in the name of empowering our student leaders!

The Center for Human Research and Development Foundation (CHRDF) Inc. is one with the Department of Education in its vision to develop Filipinos who passionately love their country and whose values and competencies enable them to realize their full potential and contribute meaningfully to building the nation. We believe that student leaders play an especially important role in achieving this dream of the DEPED. Thus, for the past three years, we are consistently spearheading student leadership summits to hone the young according to core values set by DEPED.

On March 18-21, 2021, we will conduct the **Student Leadership Summit (SLS) 2021 and the National Convention of Supreme Student Government and Student Organization Officers**. This seminar is open to all the SSG officers and student organization officers accompanied by their respective teacher advisers. This is an online conference; thus, the students can join safely from the comfort of their homes.

In line with this, we would like to ask for your help in disseminating information to your personnel through **division advisory**. We hope that you can help us reach more school stakeholders who can benefit from the student development program we prepared. We assure you that the schedule of our trainings is consistent to no disruption of classes policies of DEPED (D.O. no. 9 s. 2005).

For questions and clarifications regarding the conference, you may contact me through my mobile no. 09989925601 or email at chrdf.inc@gmail.com. Attached to this letter is the conference rationale, description, objectives, program of activities and registration process.

We are deeply grateful for your continued support in our advocacies and initiatives for the best interest of our learners. We hope that this letter will merit your most favorable response.

Sincerely yours,

  
**Jeffrey M. Mayor, LPT**  
 Program Director

**Program title: Student Leadership Summit 2021 & National Convention of Supreme Student Government and Student Organization Officers**

**Theme: Promoting Campus Student Leadership: Creating a Culture of Engagement**

**Date of conduct: March 18-21, 2021**

**Platform: Zoom Meeting Room (online)**

**Conference rationale:** Looking at the profile and narratives of Generation Z students, constant accompaniment is still one of their immediate need. Considering that their thinking ability is not yet fully developed, mentors play significant role in providing them adequate guidance and help. Student leaders are not exempted from this. Even more, they need to develop skills set to propel towards their academic and leadership goals. This conference was organized based on the emerging needs of many young people. We believe as an organization that initiatives to engage student leaders are very efficacious in keeping their passion to serve alive. Leadership journey begins from within. It requires mental and emotional preparedness. The pressure in serving fellow students and interacting with other school stakeholders can be incredibly stressful. Thus, CHRDF Inc. crafted this program to provide quality student development activity especially designed for student leaders.

**Conference description:** CHRDF Inc. is committed to developing and cultivating the leadership potential of our students through this student development program. This conference is focused on helping students develop personal leadership, set goals, build character, and maximize personal success. The conference features a keynote speaker, lectures from subject matter experts, interactive workshops, and an engaging socialization.

**Conference objectives:**

1. Provide platform and opportunity for student leaders to discuss issues relevant to them as they navigate in the new landscape of education in the Philippines.
2. Foster camaraderie among student leaders and their advisers through intellectual discussion on emerging trends in student involvement within and outside the campus.
3. Uphold Filipino values promoted through DEPED core values- MAKADIYOS, MAKAKALIKASAN, MAKATAO, MAKABANSA through the various activities designed for the conference.
4. Enhance the capacity in decision-making and complex problem solving by acquiring critical thinking and collaborative skills.
5. Create individual plan of action to address personal and societal issues towards leading positive change.

**About CHRDF Inc.**

Center for Human Research Development Foundation (CHRDF) Inc. is a non-stock and non-profit non-government organization that aims to provide training to community leaders and school stakeholders. In our efforts to strengthen our commitment to quality training and development, we undergone accreditation and collaboration with various government agencies. CHRDF Inc. is now an accredited Continuing Professional Development (CPD) provider under the supervision of Professional Regulation Commission (PRC) and an accredited Learning Service Provider (LSP) under the supervision of National Educators Academy of the Philippines (NEAP). Many of our trainings in the past are communicated to and recommended by Civil Service Commission, Department of Education and Commission on Higher Education.

After 25 years, we are still committed and continuously implementing various professional development programs for professional teachers and student leaders around the country. The success of our in-house training last year with almost 100 student leaders from different parts of the country, our vision was reaffirmed how leadership conferences can motivate student leaders to be self-less and be of service to their fellow students in the campus.
