Dear Dir. Mostoles:

Greetings in the Spirit of Humanity!

Amidst the pandemic which had seriously affected our supply for safe and quality blood in the Province of Bulacan, the patients' demand for blood transfusions has not actually reduced but unbelievably increased during the crisis. This is why the Philippine Red Cross (PRC) is appealing for possible blood donors and for organizations to spearhead mass bloodletting activities to enable us to cope up with the demands for blood to save people's lives.

In this regard, we would like to respectfully appeal for your support, by sending/inviting **BLOOD DONORS** on **FEBRUARY 3, 2021** as our celebration for the **LOVE MONTH**. This will be conducted at **PHILIPPINE RED CROSS, CAPITOL CMPD. GUINHAWA, MALOLOS CITY, BULACAN** purposely to augment our inventory of adequate, safe and quality blood for the benefit of all Bulakenyos. In return, our blood station will reciprocate donors by assisting them in case their need for blood arises in the future.

As partners in serving the needs of the suffering humanity in the community, we anticipate your favorable response to this very urgent appeal.

Your heartfelt support will go a long way in alleviating the suffering of the most vulnerable in the Province.

For further details and inquiries, you may contact the undersigned Donor Recruitment Officer. We will appreciate it very much if we could schedule the Mass Blood Donation soonest.

Thank you very much!

All the Best:
