Dear Madam:

Greetings!

UP NAMNAMA – Baguio, an academic and socio-cultural organization, and UP Pre-Medical Society- Baguio, an academic and socio-civic organization, are duly-recognized organizations in the University of the Philippines Baguio geared towards the pursuit of excellence through providing academic and social growth within the region and beyond, as well as encouraging a widening awareness of the societal issues in the country.

In light of this, UP NAMNAMA – Baguio and UP Pre-Medical Society - Baguio shall collaborate and hold the first MEDALLA, a national academic and public health conference consisting of different academic competitions and lecture series pooling the country's best minds. It aims to promote students' intellectual, social, cultural, and public health awareness through an interscholastic competition and lecture series. MEDALLA is the Ilocano term for "medal". It pertains to an object that has commemorative purpose and many are given as awards as a form of recognition. In this endeavor UP NAMNAMA – BAGUIO and UP Pre-Medical Society - Baguio aim to recognize the purpose of each individual participating in the event while still carrying out honor and excellence amidst the current health crisis.

Academic competitions include Public Health Opinion Writing, Science and Health Writing, Online Mobile Photography, Digital Poster Making, Medical Trivia Quiz Bee, and Public Health Debate.
