Ending the Sexual Exploitation of Children

29 January 2021

RD May B. Eclar, PhD, CESO V
Regional Director
Department of Education Region III
Government Center, Mamasip
City of San Fernando Pampanga

Dear Dir. Eclar,

In time for this year's celebration of the *National Child Sexual Abuse Awareness Week (NCSAAW)* and *Safar Internet Day* on Feb 9, 2021, ECPAT Philippines is launching *eProtectKids*, the country's first global internet hotline against Child Sexual Abuse Materials (CSAM) online. As our partner in upholding children's rights, we're inviting you to join the virtual event.

eProtectKids by ECPAT Philippines is a member of INHOPE, a network of 46 member hotlines worldwide that aims to quickly remove CSAM from the internet. It also preserves information that can aid law enforcement investigations on cases of online sexual abuse and exploitation of children.

We're expecting around 500 stakeholders i.e. children, parents, teachers, local government units, child rights advocates to join the launch via Zoom. It will also be streamed via Facebook Live for the general public. Speakers would come from our official hotline partners *INHOPE (International Association of Internet Hotlines)* and *DICT-Cybercrime Investigation and Coordinating Center*, *PNP-Cybersecurity Bureau* and some children advocates will also be invited to share inputs.

The event will be on Feb 9, 2021 at 1:30 - 4PM. Please register in advance at <http://bit.ly/eProtectKidsLaunch>

We're looking forward to your presence!

Sincerely,

Ma. Trinidad Maneja, RSW
Deputy Director for Admin and Services
