Dear **Dr. Mostoles**:

The Philippine Science Heritage Center (PSHC), under the management of the National Academy of Science and Technology, Philippines (NAST PHL), is the premier science center in the country, mandated by Republic Act No. 9107 to serve as the main repository of the achievements and contributions of Filipino scientists in science and technology. PSHC is also mandated to promote S&T to the youth and the general public.

One of the Center's activities is the **Salinlahi Symposium Series (SSS)**, which aims to immerse the students of far-flung areas in the works of different scientists and to encourage them to take their future careers to STEM. Due to the COVID-19 pandemic, we will bring SSS to the virtual world through the webinar platform.

PSHC, in partnership with the Department of Science and Technology - Regional Office III, will hold SSS exclusively for Central Luzon's students and teachers on **18 February 2021, Thursday, 2:00 PM, via Zoom**. With this, may we invite the students and teachers under your supervision to this activity? Interested participants may register at [bit.ly/SSSRegion3](http://bit.ly/SSSRegion3).

Attached herewith is the program for the event. Your positive response to this matter will be greatly appreciated.

Thank you and stay safe.

Sincerely,

  
**LUNYNG E. SAMARITA-DOMINGO, CESO III**  
 Director IV, NAST PHL

  
**JULIUS CAESAR V. SICAT, Ph.D.**  
 Regional Director, DOST-III

Reproduction No. 830, s. 2021

**ZENIA G. MOSTOLES, Ed.D., CESO V**  
 Schools Division Superintendent  
 Schools Division of Bulacan
