Education Program Supervisor I – ALS

All Others Concerned

This is to inform all concerned that ALS diploma/certificate of 2018 must have been released to all Accreditation and Equivalency (A&E) Test passers. The said document must not be withheld neither by ALS Teacher-Implementers nor by Education Program Specialists II for ALS (EPSAs).

Based on feedback/inquiries from former ALS learners and their parents, there are some who have not yet received their own documents. This situation had caused them not to be accepted in their choice of school for the next level of their education, much worse, some missed employment opportunities.

With reference to this, all EPSAs are requested to fill in the attached table with the required data to facilitate the inventory of unreleased ALS A&E Test documents. They are enjoined to turn over the unreleased ALS diploma/certificate to the office of the undersigned on or before June 3 (Thursday), 2021 at 3:00 PM together with the transmittal letter and list of ALS passers for easy reference.
