Annex A

WNTD 2021 Prayer

Almighty God,

Today, we take time to remember the millions of Your children who die or get sick from tobacco use every year—they who use the products themselves, and they who die or get sick due to secondhand smoke exposure.

We confess that some of us have chosen to cultivate products that are responsible for the diseases and deaths. We pray that You touch the hearts of the people in tobacco and related industries so that they will pursue other opportunities to use the gifts You have bestowed upon them to promote life and health instead.

We pray that You empower our brothers and sisters who used to smoke and use tobacco and other products and have decided to quit the addiction. Please assure them that they are supported in their decision.

We pray that You lead the world's governments and policymakers to boldly support the implementation of comprehensive tobacco control policies to prevent the younger generation from initiating nicotine and tobacco product use.

We pray that You guide our young people and keep them protected from tobacco and related industries' manipulation. Make us instruments of Your protection so that our young people become equipped with knowledge and necessary skills to make informed choices.

May You bless the efforts of all the health advocates, educators, youth workers, and children's rights champions who are joining hands today in crying out our desire to create a generation that is free from tobacco and second-hand smoke and the deaths and diseases that they cause.

Amen.
