Dear Ma'am/Sir SDS:

We would like to thank you for allowing your ICT teachers to attend the series of free Robotics Workshops held last month. We are happy to inform you that almost a thousand teachers attended the sessions and around 500 of them completed the requirements and their certificates of participation were already released.. This is our simple way of contributing to the upscaling of teachers' technology competencies in the country.

Also, we would like to inform you that we shall be holding another series of workshops regarding the use of technology in teaching Araling Panlipunan and Filipino. We know that there are challenges in teaching the said subjects and parents are also experiencing hurdles in guiding their children in learning the lessons in these subject areas.

It is in this regard that we would like to request for you to send Araling Panlipunan and Filipino teachers in our upcoming sessions with schedules listed below:

June 19 8:00 am - 11:00 am Maximizing Technology in Teaching Araling Panlipunan
 June 23 1:00 pm - 4:00 pm Maximizing Technology in Teaching Araling Panlipunan
 June 26 8:00 am - 11:00 am Maximizing Technology in Teaching Araling Panlipunan

June 19 1:00 pm - 4:00 pm Maximizing Technology in Teaching Filipino
 June 24 1:00 pm - 4:00 pm Maximizing Technology in Teaching Filipino
 June 26 1:00 pm - 4:00 pm Maximizing Technology in Teaching Filipino

The registration link is <https://forms.gle/hfkL2bDdLNZZ2TK27>.

After the robotics workshops last month, our focus this month is on empowering teachers to use technology in these subject areas without the need for complex IT tools. This is applicable for schools that implement online, blended or even modular learning.

Looking forward to the maximum participation of your teachers, coordinators and/or principals in this learning endeavor.

Thank you,

Sincerely,

DR. MA. THERESA P. BERMUDEZ
 Director
