Ms. May Eclar
Regional Director
Department of Education

Dear RD. Eclar,

Warmest greetings!

In this day and age, there is a tremendous need to take action in this unprecedented time and lead through this new normal. The **Institute for Solidarity in Asia (ISA)**, in partnership with the **University of Asia and the Pacific (UA&P)**, has successfully launched the pilot run of the **Young Leadership Program (YLP)** last January 23, 2021. We are passionate to support others who are taking a proactive approach towards tomorrow as we achieve our Dream Philippines. With this in mind, we are elated to invite your organization to embark on this leadership and governance program with us.

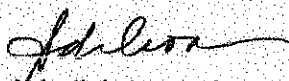

The 2nd term of the **Young Leadership Program (YLP)** will commence this **July 2021**. The YLP is a 20-module online certificate course for leadership and governance, designed to hone leadership skills, strategic thinking, strategy implementation, and refine knowledge on good governance.

We hope that someone from your agency may join us and be a significant part of our 2nd batch of young leaders. To find out more about the YLP, kindly visit our website at bit.ly/AboutYLP. You may also start registering your delegates at bit.ly/YLP2ndTermRegistration.

We could also conduct a YLP virtual roadshow or introductory meeting to thoroughly orient your organization with the course syllabus. The virtual roadshow will take place via zoom from 2:00 – 3:00PM. You may view, sign up, and choose your preferred schedule of the virtual YLP roadshow at <https://bit.ly/YLPRoadshowNP>. Please note that the YLP virtual roadshow is open to other organizations who are interested to attend the virtual meeting.

Please feel free to send your confirmation for the YLP virtual roadshow or any inquiries to our program coordinator, Ms. Patricia Mae Salvador at yip@isacenter.org.

Thank you very much and we look forward to seeing your delegates in our classes soon.
