Greetings!

The UP Business Management Society, a duly recognized student organization in the University of the Philippines Diliman Extension Program in Pampanga, has been committed in carrying out activities that will increase knowledge and skills in the field of business management. In line with this, the organization will be holding a youth business conference that will cater to Accountancy and Business Management (ABM) senior high school students and college students majoring in business and business related courses from different schools in Central Luzon.

With the theme "LIVE: Leveraging on an Inclusive and Viable Entrepreneurship", Pioneer 2021 aims to give opportunity to business-related students to attend a conference about their field, to inspire them to start up their own business, to guide them in managing businesses in the long run, to help them become progressive business leaders, and to change their view from being a consumer to an innovative producer. The event will be held online via Zoom and Facebook live on the 21st and 22nd of August 2021 from 1:00 to 6:00 PM and 1:00 to 5:00 PM respectively. There is no registration fee for attending this conference.

To further the opportunities and engage the innovative minds of the students, Pioneer LIVE 2021 has a business pitch simulation contest, "Mind the Product", that aims to ignite the entrepreneurial skills of young students. Registration fee for the contest is ₱100 per delegate (early bird deal) and ₱150 per delegate (official fee).

With this, we are humbly requesting an endorsement and accreditation from your good office for this youth business conference, Pioneer LIVE 2021. Your endorsement and support will be very much appreciated and will contribute significantly in attaining our organization's objectives. Attached here is our Event Portfolio for your reference and more details.

We are very much looking forward to your positive response. *Mabuhay at maraming salamat po!*

Sincerely,

Julia Ashley Galicia
