DR. ZENIA G. MOSTOLES, EdD, CESO V  
Schools Division Superintendent  
Department of Education - Bulacan

Dear Ms. Mostoles:

Greetings from the Aboitiz Foundation and City Savings Bank, Inc.!

In 2015, Weather Philippines Foundation partnered with CitySavings to strengthen the Department of Education's disaster resilience by helping transform schools to become #WeatherWiser schools. To date, we have trained a total of 4,874 DepEd educators and DRR coordinators across the nation on Weather 101 and Tropical Cyclone 101.

This year, with the greater need to make schools more disaster-ready, we have updated the program so that educators and DRR coordinators will be more equipped in disaster risk reduction and management (DRRM). Together with City Savings Bank, the Aboitiz Foundation will conduct the orientation course on **Disaster Risk Reduction (DRR) 101** and **Public Service Continuity Plan (PSCP)** to 16 DepEd divisions nationwide.

The training aims to help participants understand the Philippine Disaster Risk Profile, know the basics of DRRM and its thematic areas, understand how our country is set up to prepare for and respond to disasters, and identify the common hazards that their specific locations have.

In this regard, we would like to request your kind assistance to nominate 50-75 participants from the Division who will attend the training, specifically DRR Coordinators, Teachers and PTA officers. Please submit a list of your selected participants with their complete name, email address and contact number on or before July 30, 2021 to the contact persons indicated below.

The training will have a mix of asynchronous/self-directed and synchronous sessions. Our proposed dates are the following:

Approach	Proposed Schedule	Remarks
Asynchronous (DRR 101 and PSCP)	Can be completed from August 2-6, 2021	Participants will be directed to a link in the Humanitarian Leadership Academy - Kaya platform and iADAPT. Participants can take the course anytime on the given schedule.

<b>Synchronous (DRR 101)</b>  <b>Topics:</b> Philippine Risk Profile DRRM Basic Terms and Concepts DRRM Framework Hazards: Earthquakes, geohazard, weather Public Service Continuity	<b>August 19-20, 2021 (8 hours)</b>	<b>Participants will attend a 8-hour session scheduled for 2 days (4 hours/day)</b>
--	---	---

Please expect us to contact you regarding our invitation and to finalize the training dates. Please feel free to contact Allen L Laxamana should you have questions or clarifications at telephone number +63-9175012164 or at email address [allen.laxamana@citysavings.com.ph](mailto:allen.laxamana@citysavings.com.ph)

Your support in this initiative will greatly help us empower more schools as we in the Aboitiz Foundation and City Savings Bank recognize your efforts to build resilient schools amidst the new normal. Thank you.

Sincerely,

**Maribeth L. Marasigan**  
President and Chief Operating Officer  
Aboitiz Foundation

**Paula Ruelan**  
AVP - Reputation and Brand Management Head  
City Savings Bank, Inc.
