Subject: ONLINE CELEBRATION OF THE
2021 NATIONAL DISASTER RESILIENCE MONTH

Executive Order No. 29, s. 2017 designates July of each year as the National Disaster Resilience Month (NDRM) throughout the country. It mandates the conduct of activities relative to building disaster resilience covering the following thematic areas: prevention and mitigation, preparedness, response, and rehabilitation and recovery.

In accordance with the National Disaster Risk Reduction and Management Council (NDRRMC) Memorandum No. 61, s. 2021, this year's NDRM celebration is marked with the theme, *Tamang Pamamahala't Kahandaan, Kaalaman at Pagtutulungan sa Sakuna at Pandemya'y Kalasag ng Bayan.*

This celebration emphasizes the important role of disaster risk governance and the collaboration of all Filipinos to overcome this pandemic's challenges and build a green and resilient "new normal."

The Department of Education (DepEd), as a key implementing agency of the state's mandate to protect and promote the right of all citizens to quality education at all levels and to take appropriate steps to make such education accessible to all, reaffirms its continued efforts towards resilience-building in offices and schools.

NATIONAL DISASTER RESILIENCE MONTH (NDRM) CELEBRATION
July 2021

Theme: Tamang Pamamahala't Kahandaan, Kaalaman at Pagtutulungan sa Sakuna at Pandemya'y Kalasag ng Bayan

I. Rationale

National Disaster Resilience Month (NDRM) is celebrated every July through Executive Order No. 29 to promote awareness and disaster resilience. As the world continues to respond to COVID-19, there is no better day to be involved than now.

Prevention saves lives. Even when we are in the middle of a pandemic, our mission to make our communities more resilient continues. While COVID-19 has led to various disruptions to our daily routines, it has provided us with an opportunity to re-evaluate how we handle disaster responses and how we can make our systems more effective for the benefit of our nation.

This year's National Disaster Resilience Month (NDRM) Celebration is marked with the theme, ***"Tamang Pamamahala't Kahandaan, Kaalaman at Pagtutulungan sa Sakuna at Pandemya'y Kalasag ng Bayan."*** The observance emphasizes the important role of disaster risk governance and the collaboration of all Filipinos to overcome this pandemic's challenges and build a green and resilient normal.

With the realization that children are the most vulnerable during disasters, it is indeed our responsibility to strengthen their participation in disaster management decisions. Their involvement in those decisions can also ensure the realization of other child rights enshrined by the UN Convention on the Rights of the Child, including the right to safety, survival, protection from violence and harm, adequate health care, and education, all of which are compromised in the event of a disaster.

Children have a unique perspective on disaster risks that can improve a community's overall resilience to disasters, and they are effective communicators of risk to each other and their communities. With this, the Department of Education (DepEd), through the Disaster Risk Reduction and Management Service (DRRMS) in partnership with SAVE the Children Philippines, with the support of the Youth Formation Division (YFD), and Public Affairs Service (PAS), will conduct an online NDRM Celebration focusing on children and youth participation in DRRM.

II. Objectives

The NDRM Celebration aims to

1. Increase awareness of the basic education sector on disaster preparedness.
2. Increase participation of learners and DepEd personnel in addressing disaster preparedness.
3. Increase recognition of the 'Ready Kid' mascot and puppet as the face of resilient learners and promotion of the 'Laging Handa' jingle to help raise awareness on disaster preparedness.
