Paksa: Situational Analysis/ Survey for Children

Mahal na Dr. Mostoles,

Pagbati ng Magandang Araw. Sana ay nasa mabuti po kayong kalagayan.

Ang aming samahan, Aspiring Children and Youth Advocating for their Protection (ACYAP) ay isa sa mga kasapi ng Provincial Disaster Risk Reduction and Management Council (PDRRMC) at isa sa mga Secretariat sa pagbubuo ng mga polisiya ng konseho. Kaugnay po nito ay naatasan ang samahan upang mangalap ng datos sa mga bata at kanilang mga magulang/guardian ukol sa kanilang mga karanasan sa nagdaang sakuna. Ang resulta ng magiging survey ay bubuo sa **Situational Analysis for Children** na mahalagang aspeto sa binubuong **Local Comprehensive Emergency Program for Children** ng ating lalawigan.

Kaugnay po nito, nais po naming lumapit sa inyong tanggapan upang hingin ang inyong pahintulot na isagawa ang **online survey** na ito sa mga mag-aaral at magulang/guardian ng **Mataas na Paaralan** na nakapaloob sa mga sumusunod na bayan:

1. Calumpit
2. Hagonoy
3. Bulakan
4. Paombong
5. Obando
6. Marilao

Hinihiling po sana namin na magkaroon ng **lima (5) hanggang sampu (10) na mga mag-aaral at magulang/ guardian ang magsagot kada paaralan**. Maaaring manggaling po ang mga **batang respondents sa Supreme Student Government o School DRRM Organization**. Ang survey po na ito ay ipamamahagi sa Messenger Group Chat ng mga nasabing samahan at sasagutan sa google form.

Kalakip po nito ang Memorandum PA-07272021-141 at link ng survey para sa inyong sanggunian.

Ano man pong katanungan ay maaari niyo pong ipagbigay alam sa 09394236364 – Ace Feliciano o sa email ng samahan acyapbulacan@gmail.com.

Inaasahan po namin ang inyong positibong pagtugon. Maraming Salamat po.

Sumasainyo,

ACE C. FELICIANO
Pangulo, ACYAP
