DR. ZENIA G. MOSTOLES
Schools Division Superintendent
Schools Division Office of Bulacan
Capitol Compound, Brgy. Guinhawa
City of Malolos, Bulacan

Dear Dr. Mostoles:

I trust that you and your family are well and keeping safe.

Pursuant to Presidential Proclamation No. 780 s., 2019, the DOST celebrates the annual National Science and Technology Week (NSTW) every fourth week of November.

This year, the NSTW celebration dubbed “**Agham at Teknolohiya: Tugon sa Hamon ng Panahon**”, is scheduled on 22 to 28 November 2021. In view of the continued threat from the pandemic, NSTW 2021 will once again be virtual. Nonetheless, we will continue to engage the active participation of all government agencies and instrumentalities, non-government organizations, state universities and colleges, and other S&T stakeholder institutions.

Schools Division Office of Bulacan is one of the selected institutions invited to conceptualize and conduct engaging Science, Technology and Innovation (STI) related activities in support of the NSTW 2021 celebration. The list of possible activities that may be conducted is attached for reference and guidance. Should you be interested, please send the relevant information about your proposed activity(ies) to nstw2021.promotions@gmail.com so we can include it in the Directory of NSTW activities for promotion.

Furthermore, we would like to request your support to the NSTW celebration through the following:

1. Dissemination of information about the NSTW 2021 celebration by posting the NSTW streamer in your official website, and social media accounts. The prototype streamer design can be downloaded through this link www.nstw.dost.gov.ph; and;
2. Issuance of an official communication enjoining all offices, faculty, staff and students to participate in this year’s NSTW activities. The directory of NSTW activities organized by DOST and other institutions may be accessed at the official NSTW website www.nstw.dost.gov.ph;

Please email the information about your selected activities to NSTW 2021 Secretariat at nstw.secretariat@gmail.com for inclusion in the Directory of NSTW 2021 activities that will be promoted through the DOST Facebook page and other virtual platforms. You may also get in touch with the NSTW Secretariat for queries or more information regarding this matter.

Thank you.

Sincerely yours,

Romina Guevara
ROWENA CRISTINA L. GUEVARA, Ph.D.
Undersecretary for Research and Development

A. DOST Organized Activities

1. Webinars: Target audience: All sectors
1. Contests
2. Virtual Screening of DOSTV's SineSiyensya documentaries from 22-28 November 2021
