Greetings!

The Association of Christian Schools International (ACSI) Philippines will have Converge 2021, an annual fellowship among its member schools as well as its invited non- member schools on September 4, 2021, 9:30 AM Via Zoom.

Converge 2021 aims to gather school leaders to promote unity and sense of affiliation, to get to know new leaders or those new in school leadership positions, and to share to our member schools our strategic initiatives and directions for this School Year.

Gracing this special event is ACSI Director of Strategic Development for Asia, Mr. Tom Hardeman. He will be speaking on a topic which is close to the hearts of Christian school leaders. In addition, Department of Education Director and Chair of Curriculum Development, Dr. Jocelyn Andaya, will also be sharing with us some updates and initiatives that are significant to the private schools.

In view of this, we would like to seek the endorsement of your good office regarding this event and share this letter of invitation to all private schools in the region. Attached is our poster with the details.

We look forward to your support and positive response to this request as we help Christian educators unite, show resilience, and prepare for a stronger and more productive school year. Should you have more questions about this event, we may be reached at 09205478714.

God bless!

Very truly yours,

Selaphares Tajale, PhD
