C. Updates and Ways Forward

1. The DTFC, in coordination with the National Vaccination Operations Center (NVOC) and the Office of the Undersecretary for Field Operations (OUFO), has initiated the conduct of regional consultations with COVID-19 Focals up to the division level, to validate the submitted status of institutional arrangements with LGUs, discuss issues and concerns in establishing such arrangements, and recommend next steps and ways forward to help the region expedite the vaccination of teachers.

Consultations have been conducted in NCR and Region IV-A on 12 and 18 August 2021, respectively. A follow-up consultation with Region IV-A and the consultation with Region III are currently being scheduled.

2. Within the week, the DTFC representatives for vaccination (BLSS, BLSS-SHD, BHROD, ICTS) together with the OUFO will meet to finalize the data reporting mechanism on personnel vaccination to better inform policy and contribute to expediting the vaccination of teachers.

For information and guidance.
