Dear Dr. Mostoles:

Pursuant to Presidential Proclamation No. 1098 declaring the month of October every year as the Consumer Welfare Month (CWM), the **Department of Trade and Industry (DTI) has taken the lead in the celebration of the 2021 Consumer Welfare Month (CWM) through the Consumer Protection and Advocacy Bureau (CPAB) with the theme: "Digital Consumer: The New Normal"**.

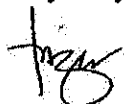

For Region 3, several activities have been undertaken since October 1, one of which we have participated is the Regional Quiz Bee and through DepEd Bulacan's assistance we have chosen contestant from San Miguel National High School as our official contest to the said event. We placed 4th for this contest and we will send the token or consolation prize.

We appreciate your support on the activities in celebration of the Consumer Month. For the second contest which is related on vlogs, your office also has chosen San Miguel National High School (SMNHS) and they are now preparing/shooting the video. We have also continuous communication with SMNHS by providing suggestions and comments on filming the video.

Moreover, DTI Region 3 shall also conduct Regional Poster Making Contest which will require one contestant per province. The official entry should be the winner at the provincial level contest. As such, may we again respectfully request your **assistance in disseminating the information to the different public high schools and DepEd recognized private high schools here in Bulacan for our Provincial Poster Making Contest**. We have sent email through the previous email thread together with the contest details and mechanics last October 12, 2021. We have opened the registration link and the contest will be conducted virtually via zoom on October 20, 2021. We have attached here the contest mechanics for your information and reference.

Thank you very much for your continued support in promoting the welfare and protection of our consumers.

Very truly yours,
