Dear Dr. Mostoles ,

Christian Greetings!

The Gideons International, an association of Christian Business and Professional men, carries the sole primary objective of winning others for the Lord Jesus Christ through association, personal testimony and placing the Bible – God's Holy Word.

Placing the Bible or portion of it in chosen traffic lanes of life such as in Hotels and Motels, Hospitals, to Military personnel, Jails, Public and Private Schools (Elementary, High School and College), Ships and Airplanes, Judges' Offices and the Medical field is the major activity of the association.

The placement of FREE Bibles and New Testaments to the Teachers and Students in all Private and Public Elementary (Grades V & VI) and High Schools has been a major and perennial distribution activity of The Gideons International in various Schools in the Province of Bulacan since 1985.

**It is in this regard that we seek your kind approval, permitting the members of The Gideons International in Malolos camp to carry out its Bible Distribution activities in your jurisdiction by including the New Testaments in the Learning Module Kits of the students.**

Thank you very much, and may the good Lord continue to use and prosper you as agent in character transformation and skills development, preparing the precious youth of our beloved country.

Sincerely yours,

Engr. Leonardo Pacis
