

Republic of the Philippines
Department of Education
REGION III
SCHOOLS DIVISION OF BULACAN

October 25, 2021

To: Division Chiefs
Public Schools District Supervisors
School Heads of SSES Implementing Schools
All Others Concerned

The current pandemic has brought unprecedented changes in our educational system. Of the special curricular programs implemented in our Schools Division, the Special Science Elementary Schools (SSES) is one of those that needs to be addressed for the information and guidance of all concerned. In this regard, an **Online Kamustahan of SSES Implementers 2021** will be held on November 3, 2021 (Wednesday) @ 9:00 AM via Google Meet. The link for the meeting will be provided thru the elementary science group chats. The following concerns will be the agenda of the consultative meeting:

1. RM No. 521, s.2021 or The Monitoring and Evaluation of the K-12 MELCs Implementation, Assessment of Learning Outcomes and Grading, Special Curricular Programs, and Inclusive Education Programs for SY 2021-2022;
2. status of the SSES Grades 1-6 as to enrollment and directory of school heads;
3. the teaching-learning process as to learning delivery modality and learning resources;
4. the pedagogical interventions and best practices implemented to enhance learning; and
5. other related matters.

Wide dissemination of this letter is earnestly desired.

ZENIA G. MOSTOLES, EdD, CESO V
Schools Division Superintendent
