Dear Madam Eclar,

Greetings of solidarity and safety amidst the COVID19 pandemic!

Continuing the "Education for All" movement, new global education goals and targets have been set, as contained in the Sustainable Development Goal #4 (SDG4) and adopted in September 2015 by world leaders in the United Nations Sustainable Development Summit. The SDG4 will again be the pivotal important step in the development of international education policy in education.

In line with this, ASSERT, a national progressive organization of teachers, will be holding a series of **Teachers' Workshop-Consultation in Region 3 via blended platform (digital and physical)** on the **UN Sustainable Goals and SDG4 on the following dates:**

- November 12, 2021 - Region 3, Aurora, Bataan, Olongapo and Zambales**
- November 19, 2021 - Division of Bulacan**
- November 25, 2021 - Division of Nueva Ecija**
- November 26, 2021 - Division of Pampanga and Tarlac**

The workshop-consultation aims to:

- a. help build a common understanding, among teachers, of the UN SDG Goals and SDG4 goal and targets;
- a. define the barriers and substantial outcomes or how SDG4 targets specially *Target 4.c - Ensuring adequate teacher recruitment, training and professional development, and working conditions* will translate into concrete positive outcomes for teachers especially at this time of pandemic.
- b. Engage the organization of ASSERT in the campaign for the UN 2030 Agenda by outlining possible contributions of teachers and the education sector in advancing SDG and SDG 4

Active civil society and citizen participation will be crucial for the SDG4 processes to move forward and progress. Let us ensure teachers' participation in the planning, monitoring and accountability processes in the realization of the education agenda.

In this light, may we request for the administrative support through the issuance of a DepEd Memorandum for allowing the participation of teachers' leaders to this workshop-consultation **On official time**. Kindly see below the provisional program for your perusal.

We hope that our request would merit your kind and favorable consideration. For further questions about the workshop, please contact the secretariat at mobile numbers 09988602797 and look for Mariz Rivera.

Thank you and stay safe.

Sincerely,

ARLENE JAMES S. PAGADUAN
National President
