**LEARNING SOLUTIONS PROVIDER FOR THE FILIPINO LEARNERS IN THE 21ST CENTURY**

Inclusive education aims to mainstream students with special needs in a flexible learning environment for acquiring quality education that optimizes their potential for holistic development. We are one with you in this aspiration and commitment to all the Filipino youth – we want to see them achieve their full potential, become productive and responsible citizens of the 21st-century global community. In line with this thrust, we would like to invite you to a **free 4-day conference for the first-ever Virtual Asian Federation on Intellectual Disabilities (AFID) Conference with the theme, “Transforming Schools and Communities for Inclusion” on November 15 to 18, 2021 at 9:00 AM.**

The AFID Conference aims to provide an international platform for educators, professionals, researchers, parents, students and other groups from the local and international communities who share the advocacy and interest in transforming schools and communities through inclusive practices for those in education and development, socio-civic thrusts, family and community engagement and policies for quality education and life-long learning for empowerment and independence amidst the global pandemic.

We want you to be a part of this exclusive program by registering through this link:
