INVITATION

WHAT: Climate Resilient Pathways for Future Generations
WHEN: 25 November 2021, 9:30 AM – 11:30 AM via Zoom and Facebook Live.

The webinar series aims to 1) highlight the vulnerability of the Philippine development as climate change risks interact with other stressors like the COVID-19 pandemic; 2) identify key strategies to “build back better” from the ruins of the COVID-19 pandemic while simultaneously addressing the impacts of climate variability and extreme events; 3) harness the potentials of science, technology, and innovations (STI) to put the Philippines into the pathways of climate-resilient and sustainable development considering the multiple stressors we face under the new normal; and 4) recommend measures to strengthen policies and governance systems to realize a climate-resilient and sustainable development in the Philippines.

Interested participants may register at <https://bit.ly/CCSeries04>. Participants will receive an e-certificate upon completion of the webinar and submission of the evaluation form.

You may also watch the live broadcast on the following Facebook pages: <https://www.facebook.com/nastphl> and <https://www.facebook.com/townsfoundationinc/>.

Should you have questions or clarifications, please email us at advisory@nast.dost.gov.ph or call us at (02) 8837-20-71 loc. 2170.

Thank you and stay safe.
