Subject : WEBINAR ON LAGABLAB (LAGYO NG AGHAM AT AGHIMUAN TUNGO SA BAGONG LIDERATONG AAGAPAY SA BAYAN); THE ROLE OF SCIENCE & TECHNOLOGY IN NATION-BUILDING

Date : November 4, 2021

1. The University of the Philippines Department of Science and Technology Scholars' Association (UP DOST SA) shall conduct a comprehensive webinar about the importance of science and technology in nation building entitled: LAGABLAB (Lagyo ng Agham at Aghimuan tungo sa Bagong Lideratong Aagapay sa Bayan); The Role of S&T in Nation-building on November 20, 2021, from 2:00 p.m. to 5:00 p.m. via Zoom.
2. This online activity aims to:
 - 2.1 shed light on the importance of strengthening science and technology in the different sectors of society and encourage the youth to realize their role in spreading science and technology awareness;
 - 2.2 be involved in pressing sociopolitical issues; and
 - 2.3 develop skills necessary for them to be able to select dependable, civic-minded leaders who genuinely empathize with the needs of the Filipino people by advocating for research-backed projects.
3. Interested high school and college students may register to participate in the event through the link provided: <https://tinyurl.com/LAGABLABRegistration>.
4. Attached are the letter from the UP DOST Scholars Association organizer and Webinar Program Flow for reference.
5. For more information about the event, you may send an email to official.updostsa@gmail.com or contact Ms. Alyiah Marie Bulilan at +639610177360.
6. For information and guidance.

Department of Education Region III

Dr. Eclar,

Greetings!

The University of the Philippines Department of Science and Technology (UP-DOST SA) is formally inviting you to attend **LAGABLAB (Lagabong Lideratong Aagapay sa Bayan): The Role of S&T in**

Founding in 1979, UP DOST SA is a non-stock, non-profit, organization of scientists and scholars in the University of the Philippines Diliman. The organization's primary objective is to raise the consciousness among the Filipino youth, advance science and technology, and increase awareness on the present issues concerning science and technology.

In line with these objectives and as part of the organization's activities, UP DOST SA will be conducting a webinar entitled **LAGABLAB (Lagabong Lideratong Aagapay sa Bayan): The Role of S&T in the Philippines** (Saturday), from **2:00 PM to 5:00 PM**, through **Zoom**.

The event aims to shed light on the importance of strengthening science and technology in different sectors of society and to encourage the youth to raise their science and technology awareness, be involved in pressing sociopolitical issues, and encourage them to be able to select dependable, civic-minded leaders who can represent the Filipino people by advocating for research-backed projects.

The topics to be covered in the webinar are the following:

Catching Fire: Igniting Science and Technology for Nation-building

Guest Speaker: **Dr. Enrico C. Paringit, PhD**

Executive Director

Department of Science and Technology - Philippines

Emerging Technology Research and Development Center
