An early Christmas greeting from DTI Region 3!!!

Come one, come all!

We cordially invite you to come and visit the **4th CARP Regional Trade Fair** happening on **November 18-21, 2021 at Waltermart San Augustin**, City of San Fernando, Pampanga during mall hours from **10AM to 9PM**. This year's theme is *Likha ng ARBs: Ipagmalakit at Tangkilikin*

Let us support the local products made by our very own Agrarian Reform Beneficiaries (ARBs) from all over the region.

Some 49 ARBs will be exhibiting and selling their products from coconut and sabutan based products of Aurora to the cashew, coffee and bamboo products of Bataan.

Enjoy the processed meat, fish and dairy products and bread products from Bulacan and the soya, waterlily and bags and accessories of Nueva Ecija.

Pampanga CARP trade fair participants will showcase their delicacies, organic fertilizer, essential oils, wearable and homestyle products and vegetables while Tarlac entrepreneurs will sell native products like potato wine, ylang-ylang perfume, peanut butter and calamansi products. Zambales participants will not be left behind with their famous mango products, cashew, mushroom, banana chips and bamboo-based handicrafts.

You may want to do your early Christmas shopping for gift giveaways (corporate or personal) or you may simply want to support our local manufacturers and contribute to the economic growth of our ARBs.

Tara na, ating ipagmalakit at Tangkling ang Likhang ARBs!!!

See you there!
