Dear Ma'am/Sir:

Happy Holidays!

We are glad to inform you that as of today, there are 106 teams that registered to the 1st National Online Robotics Competition and we have already conducted the virtual orientation and training of coaches.

In response to the requests to extend the registration, we will still accept registrants until Jan 7, 2022. We will have another orientation and training of coaches on Jan. 5, 2022 and the release of the competition kits for registered coaches is on Jan. 8, 2022.

There are three categories: Elementary, JHS and SHS. Each winning team will get Php10,000 cash prize.

You may still want to register schools in your division. There is no need for physical robots in this competition. The participants will be coding using a virtual robotics coding platform to manipulate virtual robots. The programming competencies in using physical robots is the same as programming the virtual robots.

The following are the registered schools that will compete in the 1st Creotec National Online Robotics Coding Competition as of Jan. 2, 2022.

1. Alaminos City National High School
