CHANNELING THE YOUTH'S ROLE IN SHAPING THE PH POLITICAL LANDSCAPE

Dear Mx. Mostoles,

Greetings!

We are the **UP Organization of Business Economics Majors (UP OBEM)**, a duly recognized socio-academic organization based in the School of Economics, University of the Philippines Diliman. It has been triumphant in furthering its core thrusts of unity, service, and excellence. Now in its 34th year, UP OBEM continues to promote and strengthen its presence as the only business organization in the UP School of Economics, committed to fostering academic excellence and providing exposure to business and economics environments among its members and the student community.

This year, the UP OBEM will once again hold **Econ No-Mix, an annual economics convention that aims to bring together 200 high school students nationwide** to promote economics by introducing different economic concepts in various fields through talks and competitions. It will be held on **March 12 and 13, 2022**, via several online platforms, primarily **Zoom**.

After its first successful online edition last year, Econ-No-Mix is back with the title **"AMPLIFY: Channeling the Youth's Role in Shaping the PH Political Landscape"**. This year's Econ-No-Mix will focus on public policies, with a particular focus on the various ways in which youth can exercise their right to participate in politics beyond voting, and how active political participation can improve economic outcomes. The talks and competitions will serve as an avenue for the participants to learn about the state of the Philippines' political system and its relationship to the economy, as well as encourage youth political participation, all the while being linked to basic economic concepts and applications that are evident in everyday lives.

Pursuant to DepEd Order No.8 s. 2013 entitled "Policy Guidelines on Regulating the Issuance of DepEd Advisories," **we would like to request an advisory from your good office to further promote our event and to encourage a greater audience to participate in the competitions.**

There shall be a registration of **PHP 100.00 per participant**. Furthermore, **certificates of recognition** will be given to all participants, with **cash prizes** awarded to the winners of each competition.

Participating schools may reserve their slots through <https://bit.ly/ENM22ReservationLuzon>. Reservation shall be made on a **first-come, first-served** basis. They may access the full primer at <https://bit.ly/ENM2022Primer> for detailed information about the registration process, general mechanics, and the competitions. For updates, they are encouraged to follow us on Facebook page: Econ No-Mix <https://www.facebook.com/economix>. For inquiries, they may email us at schoolrelations.economix@gmail.com, message us on our official FB page, or contact

any of the undersigned below.

Attached herewith are the formal letter of endorsement request and the official primer for your perusal. Should you have any concerns, please do not hesitate to contact us.

We hope for your positive response and we look forward to a fruitful partnership with you in this endeavor. Thank you!

Sincerely

yours,
