Greetings,

The Bulacan State University Debate Society (BSUDS) - pioneer debate organization in Bulacan and recognized by the Office of the Student Organization (OSO) as one of the Outstanding Organization within Bulacan State University (BSU) - is an organization which aim to raise socio-political awareness and to spread thinking culture through debate and argumentation as a medium. Part of its legacy is to provide an avenue for students to develop their ability in reasonable judgement as well as their speaking skills, gearing them up to be heard.

Expanding upon this legacy and the organization's recent success in the Zamboanga Debate Open held this January, and still persevering upon the challenges of online learning, BSUDS aims to once again conduct the Bulacan Highschool Debate Championship (BHSDC) on its second online competition and to celebrate its 13th year BHSDC will go with the theme: Conquering Digital Divide, the tournament if so allowed shall take place of February 25-26, 2022 on the following virtual platforms: Discord and Google Meet, welcoming aspiring debaters from various high schools within Bulacan. This friendly competition aims to challenge such students to speak out with regard to the direction which our society ought to take in engaging a range of issues.

~~This letter is to humbly ask from your good office the endorsement of such a tournament to different schools within Bulacan.~~

Your support to Bulacan State University Debate Society in its endeavor for strengthening the thinking culture in our society is highly appreciated.

Yours Truly,

TYRONE GABRIELLE ARENAS
President, BSUDS
