**Subject: TEACHER-ADVISER TRAINING COURSE AND  
STUDENT LEADER DEVELOPMENT PROGRAM**

The COVID-19 pandemic is unlikely to be the last crisis we will face in our lifetime, and probably not the first time that school leaders have been called upon to lead through times of ambiguity. Challenges faced by school leaders have ranged from rebuilding after environmental disasters to supporting communities in times of economic, social, and emotional devastation. During these times, school leaders have provided clarity and direction, built resilience, and instilled hope as they remained focused on the best possible outcomes for the student body and school communities.

Given its mandate to provide continuous training for the teacher-advisers and student leaders of organizations such as Supreme Pupil Government (SPG), Supreme Student Government (SSG), Youth for Environment in Schools-Organization (YES-O), and Barkada Kontra Droga (BKD), the Bureau of Learner Support Services–Youth Formation Division (BLSS-YFD) will conduct a **Teacher-Adviser Training Course (TATC) and Student Leader Development Program (SLDP) from 15 February to 15 April 2022 via DepEd Learning Management System (DLMS).**

This year's training program is an opportunity for teacher-advisers and student leaders to effectively manage their student organizations and deliver curricular support for personal, social, and emotional education development, especially during the COVID-19 pandemic. Specifically, it aims to:
